*The Palm Beach County Pediatric Society is a non-profit, educational and social society that promotes child advocacy. Our society mails to over 425 Pediatricians, Pediatric Sub-specialists, Pediatric Dentists and Nurse Practitioners in Palm Beach County, Martin, St. Lucie, Indian River and Okeechobee counties. We present 2 – 3 educational dinner meetings annually; our average meeting attendance is approximately 80-120 healthcare providers. We are beginning to host on North/Treasure Coast Pediatric Society meeting each year which will be a duplicate of our WPB meeting. We anticipate our attendance to be approximately 25-35 for our Northern location meeting. We are offering Pharmaceutical, Pediatric Companies and hospitals the opportunity to help underwrite the costs associated with our society by hosting displays during the reception portion of our business meetings. The displays will be available on a limited basis at each of our meetings. The Palm Beach County Pediatric Society requests a Display Donation of \$ 500.00 for each regular meeting held in West Palm Beach or \$ 600.00 for both of the meetings that we duplicate in the Northern counties. Make checks payable to the Palm Beach County Pediatric Society. If your corporation has need of it, our Florida FEI number is 65-0291746.*
