

June 2015

What's New In June 2015?

Greetings!

Notice the 2015....yes, this is now the second year of our newsletter! Please keep your events coming! This has been a very successful way of sharing information with all of the pediatric providers in the county!

Thank you to everyone who came to our ICD-10 and Coding CME meeting with Richard Lander, MD. He was very impressed with the turnout in both Port St. Lucie and West Palm Beach. We hope everyone learned at least three things to make a change the next day in your practice to either prepare for ICD-10 or be paid better by insurance companies. You can receive your CME by going to our website www.palmbeachpediatricsociety.org and completing your evaluation. The CME credits are **directly uploaded** to CE broker from this site. We are currently working on our next meeting and your input on the evaluation will help us in deciding on a topic.

Palm Beach County Medical Society
Heroes In Medicine

**Congratulations to PB Pediatric Society's Past President, Ivy Faske, MD,
and**

For a complete list of all who were awarded click [here](#).

JUNE

Join Palms West Pediatric Residents June 6, 2015 for a **FREE** event of education and demonstrations on how to keep children safe in the water

Wellington Aquatic Complex from 9:00am-12:00pm. For more info, contact marquila.cabrera@gmail.com

Also, the Palms West Pediatric Residency program needs continuity clinics for the incoming interns. Please contact Dr. Noh El, chief resident, if you are interested. noel1112@gmail.com

June 21, 2015 is National ASK Day

Asking whether your child's friend has a gun in his/her home Saves

Kids

Sara Connolly, MD, Pediatric Partners, is organizing a full page black and white ad in the Palm Beach Post advertising ASK Day and needs all of us to join her in signing the commitment to the campaign. She needs to collect a total of \$2700 so is asking that we each contribute \$25. Please contact Sara at sconnolly@pediatricpartners.com for more information on how to support the ad or click [here](#) for more information and resources for your patients.

2015 Exhibit Sponsorship Opportunities are available. Interested parties please contact our Executive Director, 850.224.3939, email: Exec@fcaap.org

PEDIATRIC PROVIDERS NEEDED FOR LECTURES!

Pat Reeves Village is a member of a collaborative of service providers representing a continuum of care for the homeless and homeless at-risk in Palm Beach County. Pat Reeves Village is an emergency shelter for homeless families with dependent children and is staffed 24 hours a day, 7 days a week.

Families in the shelter are part of a structured, supportive program that includes crisis counseling provided by The Center. Pediatric providers are needed again this year for a lecture series at 6pm on Thursday evenings at the center and June and July dates are still available. The residents attend and often challenge the provider with many thoughtful questions. These lectures can be about any pediatric bread-and-butter topic but turn mostly into a question and answer session. Please contact Dr. Roy Cacciaguida at drroyc@comcast.net if you can volunteer your time! Let's support this wonderful program!

Congratulations Lauren Scopp on your recent promotion!

Even if you do not know of Lauren as your Enfamil pharmaceutical rep in your office, if you come to our society meetings, you will always be greeted by Lauren when signing in. Lauren has been promoted at Mead Johnson and is now the Miami District Business Manager. We are very lucky to have her in this position since she has always been a great supporter of our pediatric society!

We thank you all for the great feedback about our attempt to engage all of our members to be more active in our community with this newsletter. Please continue to keep sending us your announcements of events that may benefit all of us Palm Beach Pediatric Society members. Also, if you know of anyone who you think may be interested in this information, please feel free to forward the newsletter.

Sincerely,

Shannon Fox-Levine, MD
